The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both primary and secondary data collection techniques. The analysis focuses on identifying trends and patterns over time.

The third section provides a detailed breakdown of the results. It shows that there has been a significant increase in sales volume over the period studied. This is attributed to several factors, including improved marketing strategies and a growing customer base.

Finally, the document concludes with a series of recommendations for future actions. It suggests that the company should continue to invest in research and development to stay ahead of the competition. Additionally, it recommends regular audits to ensure the accuracy of the financial records.

Quilting is an age-old mountain tradition. Many different patterns may be woven into a single quilt, or one pattern alone might be used. Whichever the quilter chooses, many pieces are sewn together to create the desired pattern.

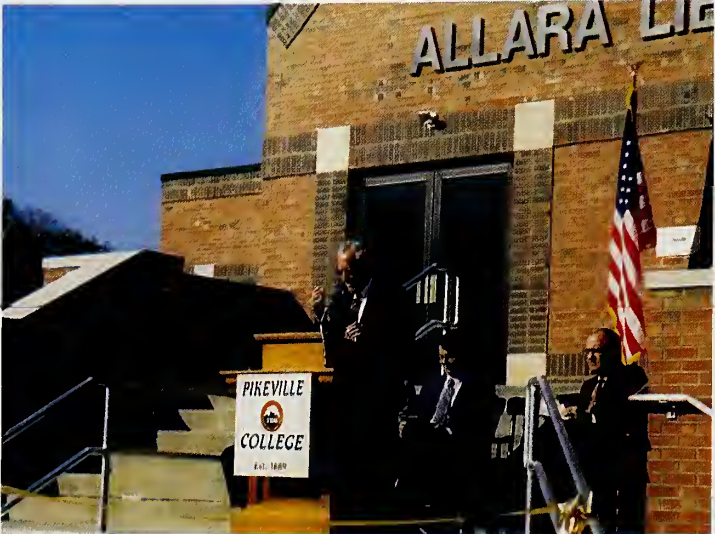

Like the quilt, Pikeville College represents many pieces which have been fitted together to create a whole: dorm residents, commuters, athletes, the bookworm. Students young and old. Our individuality has allowed Pikeville College to create from us a precious and unique quilt. As students at Pikeville College, we are each touched by the other, and our shared memories will forever intertwine to become a part of each life. We came from near and far, and found that both near and far became "here."

Just as a quilt becomes a treasured heirloom in many families, the pages of this yearbook will be treasured by those of us who appear in them.

SENIORS

The intricate patterns of quilt are time consuming and tedious to create. Likewise, the degree our Seniors receive have taken four years of hard work and dedication. Slowly, but surely, the hours of homework, timeless minutes of class presentation, and days of field work pay off. Along with the hard work are the carefree hours of play. Time blends the two together and as our Seniors leave Pikeville College these memories are forever meshed, just as the patterns of a quilt are fitted together.

Through it all we return. Drawn by friendships, visions, dreams — the elusive blended with the convenient. Those who have loved it, those who have desecrated it, all hold it in the same regard. It has been the field of our growing and the plain of our independence. We have taken from and given to our Alma Mater the price we shall grow to see as our essence. The days of our fleeting youth will not have been as vapor if we expect the experience for what it is: an education. An education in subjects not always so austere as arts and sciences, but a tutoring in life itself. We may leave the doors of Pikeville closed when we depart, but the window to the mind will be ajar and waiting for more.

Pikeville Academic 1991

The Pikeville College Academic Team is a member of the Kentucky Collegiate Quick Recall League, whose members host tournaments all across Kentucky. The league provides for two divisions: Division II (community colleges and freshmen and sophomores from 4-year colleges), and Division I (juniors and seniors from 4-year schools). Pikeville College was represented in each division.

During the 1991-2 academic year, Pikeville's academic teams competed in every tournament in the state except one — including a tournament hosted at Pikeville College. Best finish for the Division I team was second place at the Alice Lloyd College tournament, while Division II placed first at both Transylvania and Elizabethtown. Though win-loss records are not kept by the league, Pikeville's overall record placed them third among all Kentucky colleges participating.

Captains for the teams this year were Michael Sparks (Division I) and Don Tackett and William Hall (Division II). The teams' faculty coach, Dr. Nancy Cade, was also elected League Coordinator for the 1992-3 academic year.

Awards were given in both divisions for outstanding play. Most Valuable Players for 1991-2 were Michael Sparks (Division I) and Dwayne Stevens (Division II), while Most Improved Player awards were given to Jeremy Burnette (Division I) and William Hall (Division II).

The teams were honored by the College this year with team jackets provided by the Student Government Association, the Alumni Association, and the Student Affairs Office. The students and their coach were also recognized by the Dean of the College, Dr. Charles Whittle, as being one of the most important team efforts sponsored by Pikeville College.

All was not nightly practices and long trips to tournaments. During the Spring semester, the academic teams held the third annual challenge with a team made up of faculty members. This year, the students won back the "brown jug" with a 3-0 win over the faculty, the second win for the students in three years.

PC LADY BEARS 1991

SHOOT-OUT CHAMPS

The Pikeville Lady Bears struggled through an injury-plagued season which ended at 15-15 for the year. The team was led by All-Conference and All-District players Renee Brewer, who set career and single game scoring records, and was 5th in scoring in the nation; and by Crystal Slone, who was 7th in the nation in assists and 19th in scoring. The highlight of the Lady Bears' season was their tournament win at the Sunshine Shoot-out in Nassau in December.

Seated Left to Right: Claire Fuller, Angie Kennedy, Chris Perry, Roy Cutright, Robert Staggs, Cindy O'Quinn, Mavis Williamson, and Alicia Combs.

Standing Left to Right: Marsha Maynard, Jennifer Gabbard, Crystal Slone, Beth Banks, Beth Allen, Renee Brewer, Tracy Ison, Beth Kincer, and Autumn Damron.

BASKETBALL BEARS PROVIDE EXCITEMENT IN COACH'S FIRST YEAR

First-year coach Rick Scruggs gave the fans a fast-paced, exciting brand of basketball this season, ending with a 15-18 record and a solid nucleus for the coming season.

Coach Scruggs instituted a brand-new offense which resulted in a team average of 90 points per game, and a school record 711 three-point baskets. All this against one of the toughest conferences in the NAIA, which featured two nationally ranked teams. Coach Scruggs feels that Pikeville will soon become the third.

A highpoint of the season came when senior Bart Williams broke the school career points record, with 2,736 total points. Another standout for the Bears was senior Damon Stephenson, whose intense style of play was an example to the rest of the team.

Pikeville College Softball 1991-1992

SOFTBALL TEAM PLAYS TO .500

The Lady Bears Softball Team, under returning coach Paul Butcher, played to a 6-6 season, leading to a third place finish among District 32 teams.

Standouts for the Lady Bears were the Mathes sisters — Dana, who batted .550, and Amy, who batted .526, and were both All-Conference, along with Crystal Slone. Dana Mathes would be voted Most Valuable Player at season's end, while sister Amy was voted Best Defensive Player. Tammy Davis and Cindy O'Quinn both received Most Dedicated awards, while Elizabeth Baird received the "110%" award.

A standout group for the Lady Bears was the "911 Rescue Squad," consisting of substitutes Becky Adkins, Autumn Damron, Beth Kincer, and Jessica Wright, who came off the bench in crucial situations.

BASEBALL BEARS IMPROVE DOWN THE STRETCH

The Pikeville Bears baseball team had a much better season than had been expected. Picked to finish seventh in the conference, the Bears finished third, with an 18-23 record.

While the team started slowly (finishing 1-6 on their Florida trip), the Bears, with only two seniors, came back strong, and in the words of Coach Roy Cutright, "competed successfully with the bigger programs."

Standouts for the Bears were Rob Taylor, who was First Team All-District, and Craig DeLong and Sammy Hamilton, both named to the Second All-District Team.

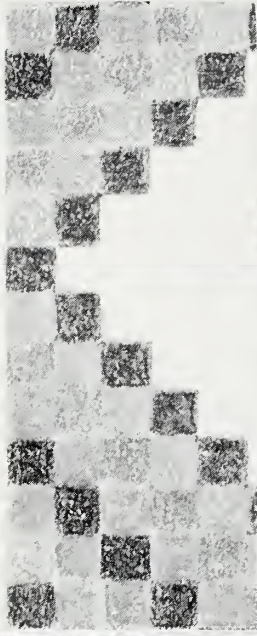

With most of his players returning, Coach Cutright sees a solid nucleus for the coming season, with a number of good role players who can step in and play well.

Beth Banks: On to the next level of competition!
David Frazier: I'm going nowhere. I'm stuck on the treadmill of life.***

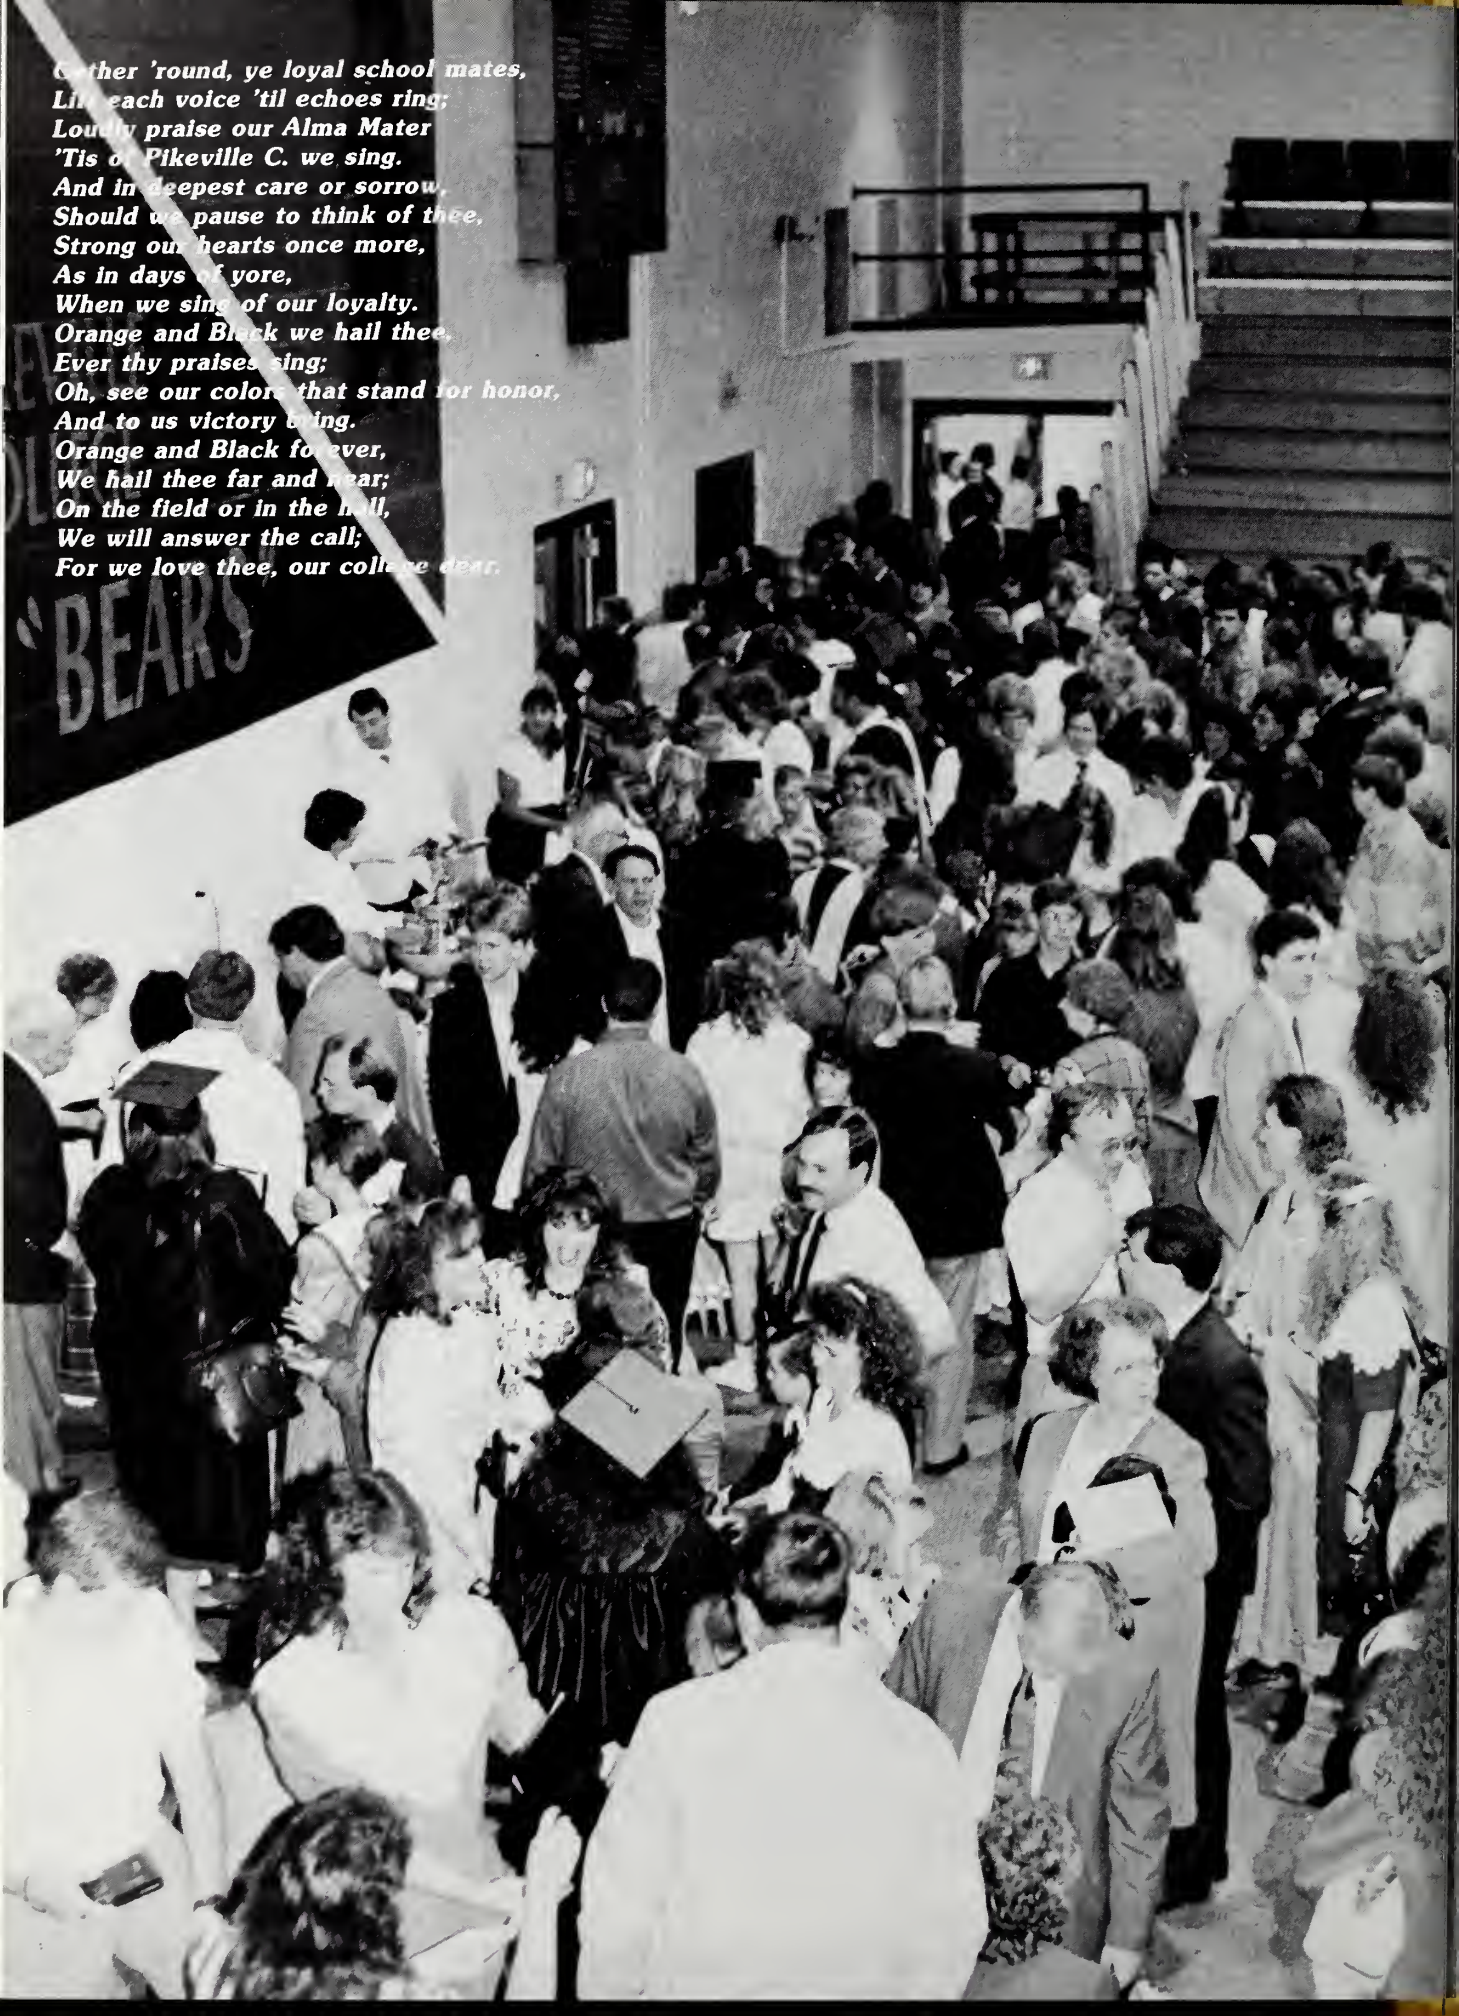

Jim Andy Caudill: On being teacher of the year ... I really enjoy teaching music methods in my classes. Most of all, I enjoy the rapport I develop with my students.

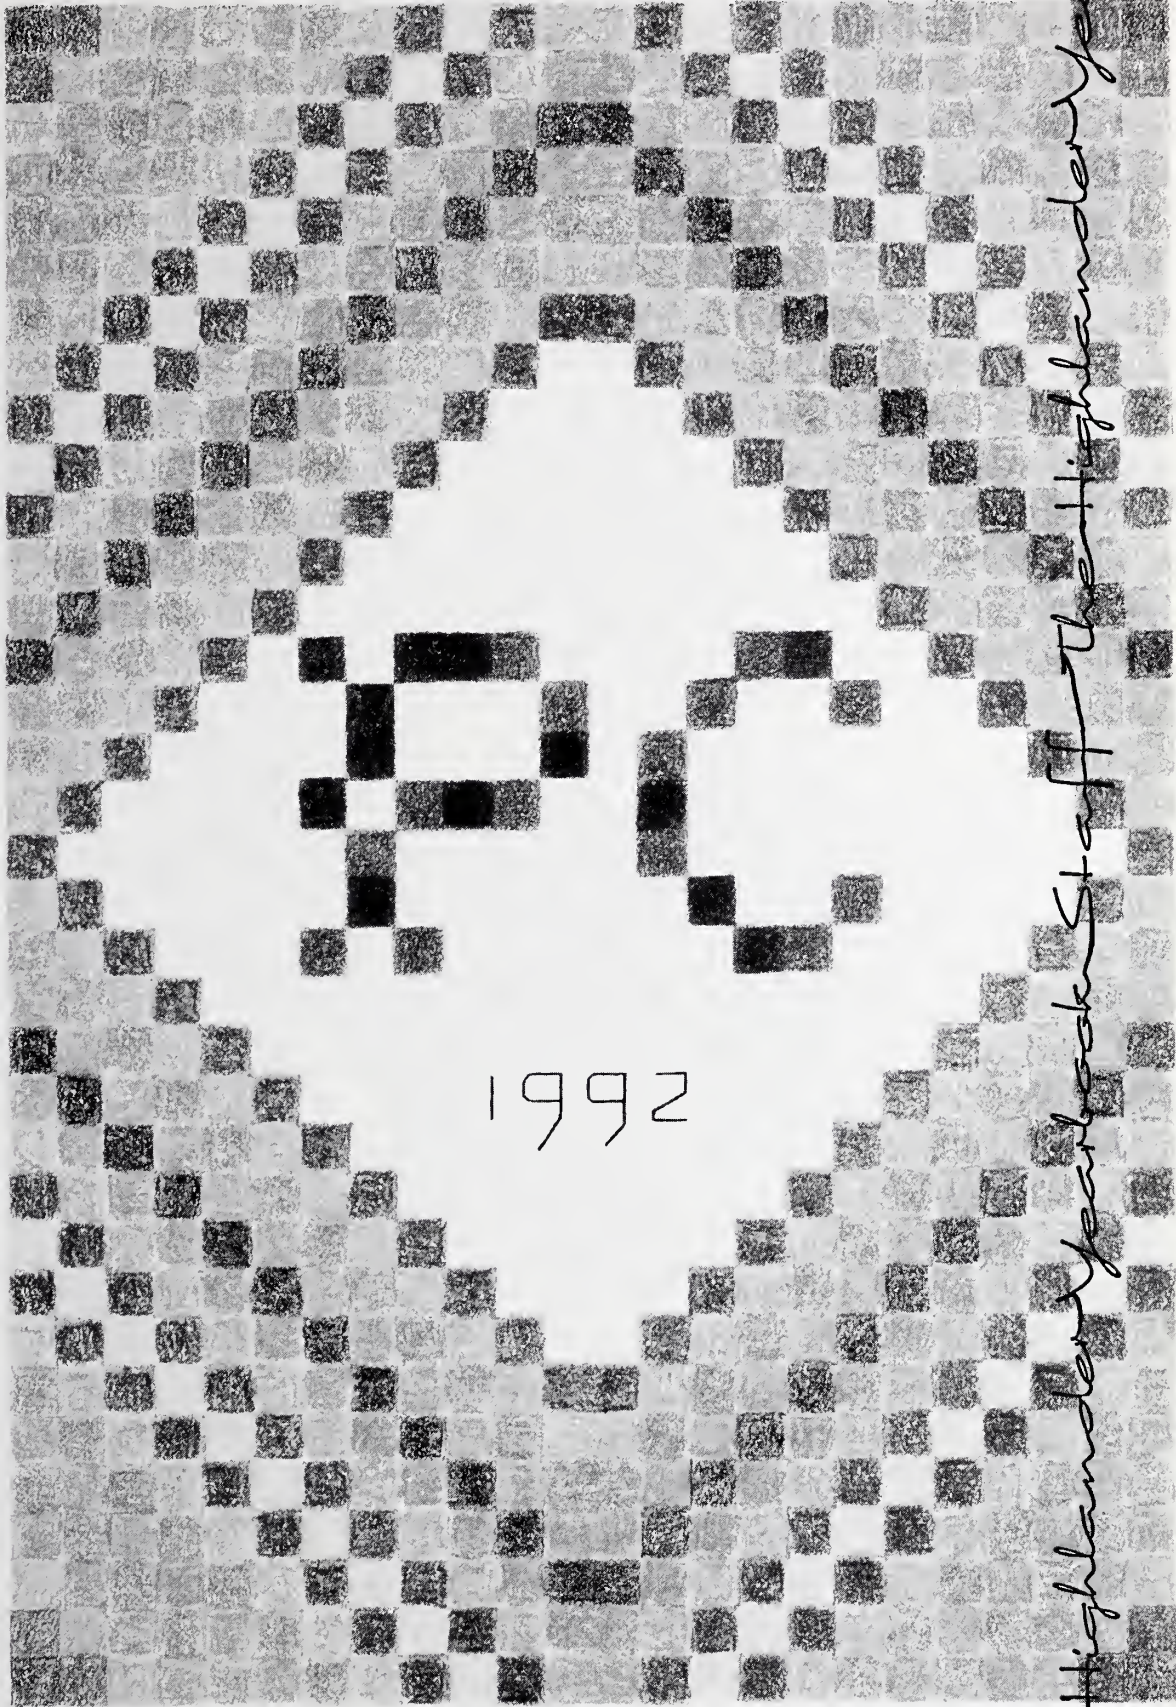

Kathie Maynard: I am going to spend the next year at Pikeville College attending a post-bachelors teaching certification program while I maintain a rigorous exercise program!

*Gather 'round, ye loyal school mates,
 Lift each voice 'til echoes ring;
 Loudly praise our Alma Mater
 'Tis of Pikeville C. we sing.
 And in deepest care or sorrow,
 Should we pause to think of thee,
 Strong our hearts once more,
 As in days of yore,
 When we sing of our loyalty.
 Orange and Black we hail thee,
 Ever thy praises sing;
 Oh, see our colors that stand for honor,
 And to us victory bring.
 Orange and Black forever,
 We hail thee far and near;
 On the field or in the hall,
 We will answer the call;
 For we love thee, our college dear.*

Highlander Yearbook Staff 1991-92

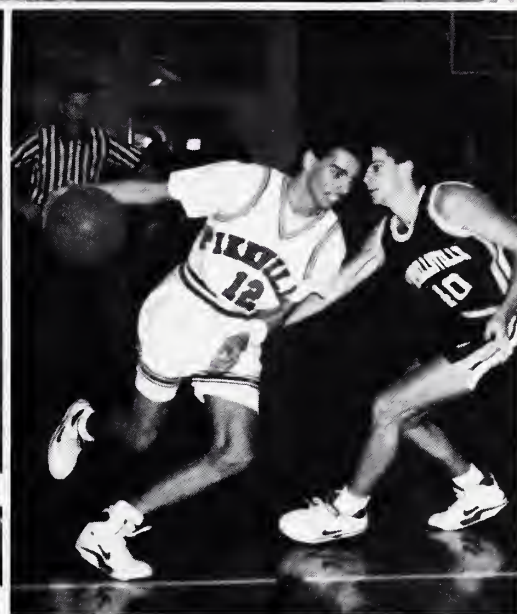

First, the entire yearbook staff must be thanked for their hard work. Along with the staff, our two faculty volunteers Pat Kowalok and Robert Davis must be recognized and thanked. Donisa Burgess is to be thanked for her uncanny ability to find any picture on campus. Sadie Altman was indispensable for her help in naming pictures. Ron Damron must be thanked for his patience and understanding. Lynn Cutright must be thanked for making it much easier to do the graduation section. Lastly, our photographers are to be thanked: Susan Sanford, Jim Tackett, and Howard Francis.

Thank You for a Wonderful Year!
